

Technical Data Sheet

Product: Primary Pro – Male M10 BZP Back Plate

Product Codes: AS009

Date Issued: November 2025 **Version:** Rev 1

Product Description

The Primary Pro Male M10 BZP Back Plate is designed for secure wall mounting in conjunction with Primary Pro Rubber Lined Clips. Manufactured from durable, zinc-plated steel, the back plate provides a strong and reliable fixing solution for insulated pipework installations.

Applications

- For use with Primary Pro Rubber Lined Clips (AS008 / AS018)
 - Suitable for fixing to walls (tension loads only recommended)
 - Designed for use in heating, plumbing, and renewable energy installations
-

Features & Benefits

- Fixes securely to walls (tension loads only)
 - 90° slot pattern simplifies installation and alignment
 - Includes resistance-welded male M10 stud bolt for durability
 - Steel construction with BZP (Bright Zinc Plated) finish for corrosion protection
 - Compatible with Primary Pro insulation support system
-

Technical Data

Property	Specification
Connection Thread	M10
Length (Metrical Thread)	35 mm
Total Length	80 mm
Total Width	25 mm
Total Height	45 mm
Material Thickness	3 mm
Material	Steel
Finish	Bright Zinc Plated (BZP)

Installation

- Ensure the fixing surface is stable and suitable for load-bearing installation.
 - Secure the back plate using appropriate fixings based on substrate type.
 - Only tension loads are recommended for use with this product.
 - Pair with Primary Pro Rubber Lined Clips for optimal performance
-

Storage & Handling

Store in a dry, clean environment to prevent corrosion.

Inspect before installation to ensure threads and welds are free from damage or debris.

Health & Safety

Non-hazardous under normal conditions of use.

Follow standard site safety procedures during installation.
